Goals of the NBCTR & AAT:

- Network programs for shared benefits.
- Host Workshops; bringing in coaches, certified instructors and facilitators from provincial and national organizations.
- Offer training at the CHAAPS facility (Pen-Y-Bryn Farm) for Horse/Riding Programs and Dog Programs.
- Support the certification and training of our CHAAPS Instructors, Staff and Volunteers.
- Liaison with BCTRA and CanTRA to help connect our area of the province with these organizations.
- Support programs in the areas of; Business Development for private and non-profit groups, Program Development and Instructor Training.
- Support Professional Development by providing education and research on the benefits of TR & AAT to professionals such as; Physiotherapists, Occupational Therapist, Speech Pathologists, Social Workers, Mental Health Professionals, Teachers, Early Childhood Educators, etc.

Please contact Danielle @ [Contact Us](#) with any questions or to have your program listed.
